

GRENOBLE INSTITUTE OF TECHNOLOGY

AT A GLANCE

2015

Univ. Grenoble Alpes

www.grenoble-inp.fr

Grenoble Institute of Technology

GRENOBLE

One of the best student cities in France
World 5th most innovative city (Forbes)

POPULATION **400,000**

SCIENTISTS **20,000**

STUDENTS **60,000**

GRENOBLE INSTITUTE OF TECHNOLOGY: FACTS & FIGURES

5 fields of excellence: energy, digital world, micro and nanotechnologies, environment, industry: globalization and innovation.

5,500 STUDENTS

20% FOREIGN STUDENTS

120 YEARS OLD

92 NATIONALITIES

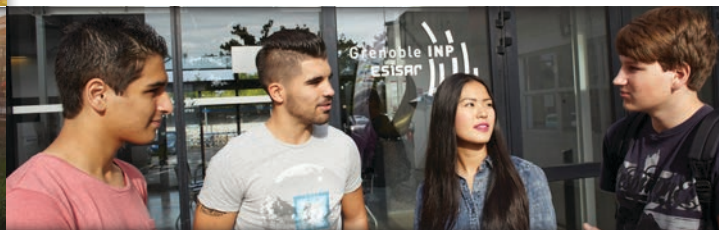

International Rankings

QS RANKING - Engineering Universities, 2015

France **#1** for Materials Science

France **#2** for Engineering - Electrical & Electronic

INTERNATIONAL ACADEMIC EXCELLENCE

 **50** MASTER'S COURSES

 **6** DOCTORAL SCHOOLS
www.grenoble-inp.fr/doctorates/

 **39** DUAL DEGREES WITH FOREIGN UNIVERSITIES

 **360** EXCHANGE PROGRAMMES WITH UNIVERSITIES IN 50 COUNTRIES

6 ENGINEERING SCHOOLS

 Energy, Water, and Environmental Sciences

 Industrial Engineering

 Informatics, Applied Mathematics, and Telecommunications

 Paper, Print Media and Biomaterials Science

 Advanced Systems and Networks

 Physics, Applied Physics, Electronics, and Materials Science

 **20** INTERNATIONAL CURICULA

MASTER'S PROGRAMMES

- Master Erasmus Mundus Functionalized Advanced Materials and Engineering (FAME)
- Master Fluid Mechanics and Energetics (FME)
- Master Geomechanics, Civil Engineering and Risks (GCER)
- Master in Electrical Engineering for Smart Grids and Buildings
- Master of Science in Industrial and Applied Mathematics (MSIAM)
- Master of Science in Informatics at Grenoble (MoSIG)
- Master Security, Cryptology and Coding of Information (SCCI)
- Master of Science in Materials for Nuclear Engineering (MaNuEn)
- Master of Science in Hydraulic and Civil Engineering
- Micro and Nanotechnology (Nanotech)
- European Master in Innovation in Nuclear Energy (EMINE-KIC Innoenergy)
- Master Sustainable Industrial Engineering (STILE)

INTERNATIONAL SEMESTER PROJECT

- Responsible Design (Industrial Engineering)
- Biomedical Engineering

DEGREE PROGRAMMES

- Degree in Biomedical Engineering
- Bachelor of Science in Nuclear Engineering

POSTMASTER'S PROGRAMMES

- Post Master Degree Biorefinery: Bioenergy, Bioproducts & Biomaterials
- Energy Management and Marketing

INTERNATIONAL DOCTORAL SCHOOL

- Erasmus Mundus Ph.D. program in Functional Materials (IDS-FunMat)

SUMMER SCHOOL

- In Micro and Nanotechnology at Minatec

Grenoble INP contributes to 3 European and 3 international higher-education networks

Cluster, KIC InnoEnergy, KIC Raw Materials, CESAER, RESCIF, PFIEV, I2EN, Maghalaes.

INTERNATIONAL RESEARCH

780 RESEARCH STAFF

900 PHD STUDENTS

1,800 PUBLICATIONS / YEAR

55% AS PART OF INTERNATIONAL COLLABORATIONS

ACCESS TO CUTTING EDGE RESEARCH INFRASTRUCTURE IN

- Micro & nanotechnology (Europe's largest technology platform)
- Accelerated industrial prototyping
- Material characterisation
- Innovation for Energy

10 INTERNATIONAL LABS

- Physics and Materials
- Nano Materials and Nano Electronics
- Information Technology, Computer Science, Automatic Control
- Electrical Engineering

26 LABS IN GRENOBLE

- Materials and process engineering
- Mechanical engineering and geosciences
- Mathematics, computer science, signal processing and control
- Microelectronic and electrical engineering
- Economics, Social Sciences and Humanities

CAREERS

ENGINEERS IN EMPLOYMENT

33 DAYS TO GET 1ST JOB

50% PRE-GRADUATION
83% WITHIN 6 MONTHS

40,000 ALUMNI
WORLD-WIDE

INVESTING IN **20** START-UPS

FREE PROFESSIONAL ADVICE
TO PLAN YOUR CAREER

YEAR-ROUND
EMPLOYMENT EVENTS

PARTNERSHIPS
WITH INDUSTRY LEADERS

FOUNDING MEMBER OF **3** TECHNOLOGICAL CLUSTERS

MINATEC
Europe's #1 micro and nanotechnology campus

MINALOGIC
Micro and nanotechnologies for embedded software

TENERDIS
Renewable energy

www.grenoble-inp.fr

YOUR HIGHER EDUCATION DESTINATION

JOIN **60,000** STUDENTS IN GRENOBLE
INCLUDING **10,000 FOREIGN**
STUDENTS

THE INTERNATIONAL STUDENTS OFFICE CAN HELP WITH:

- Visas
- Course enrollment
- Accomodation
- Health
- French language courses
- Practicalities
- Families

A PERSONALISED WELCOME

Our dedicated Grenoble INP international students office will pick-you from the moment you arrive, and help you settle in, together with ISSO (International Students & Scholars Office of Université Grenoble Alpes).

FINANCIAL SUPPORT

Many grants and scholarships are available for international students. For help finding yours, contact international.welcomeservices@grenoble-inp.fr
Average tuition fees: 610 euros/year.

VIBRANT CAMPUS LIFE!

SKI, HIKE, CLIMB, GLIDE:
enjoy our exceptional
natural environment.

**FESTIVALS, CINEMAS, THEATRES,
MUSEUMS, BARS & CLUBS:**
culture on your doorstep.

GRENOBLE INP IS HOME TO OVER
30 STUDENTS CLUBS & SOCIETIES
That will take you travelling
around Europe, wine
tasting, mountain raiding,
star gazing, and more.
